

Get Engaged... with Primary Care

15th May 2019 | 6pm-8pm
The Gateway, Sankey
Street, Warrington

We're hosting a series of Get Engaged events and you're invited! Our first event of 2019 will focus on Primary Care. Topics to be discussed during this session will include:

- An overview of the use of technology within GP practices to benefit patients
- A look at the wide range of professionals who work within the Primary Care setting
- What options are available to us when we feel unwell
- An opportunity to speak to nurses and pharmacists about their role

To book your free place, please email warccg.communications@nhs.net or call us on 01925 843774.

When you book your place, you can also submit your general questions about Primary Care. We will aim to answer all pre submitted questions during the session.

If you have any additional needs or you need help in getting to the event, please contact us on 01925 843774 or email warccg.communications@nhs.net

The Gateway is a fully accessible venue.
