

Latchford Medical Centre

MISSION STATEMENT

Latchford Medical Centre is an established 3 Partner Training Practice and is part of Warrington CCG. Our list size is 6,300 and continues to grow. We provide high quality general medical services and additional enhanced services to our population of patients who reside in and around Latchford, Warrington. Together with our Patient Participation Group we will monitor our workload and provision of services and adapt accordingly to the needs of our patients.

Our goal is to be effective and efficient in terms of the healthcare we provide and the business we run. We wish to remain family friendly; focussed on providing excellent primary care services for our patients and we will encourage and reflect on their feedback. We wish to build upon our already excellent practice team. We want to maintain a rich educational environment for our learners and encourage personal development of all our team members and enhance their skills.

Our Vision and Values for our...		
Patients	Practice	Practice Team.
At Latchford Medical Centre we look to maintain our longstanding traditions with a practice team and environment which is welcoming, caring, and accessible for all our patients and provides continuity of care. All staff work to treat our patients fairly and equally, with dignity and respect. By listening, communicating and collaborating with our patients effectively we aim to provide a highly effective, efficient and safe healthcare services for our patients.	For our Practice and Locality to work with our CCG and local Practices in improving the health of our patients and the local population. To deliver healthcare in modern and fully equipped premises, effectively and efficiently. To utilise our computer system fully and consistently within our organisation and embrace new technologies. To maximise our business earning potential.	To encourage personal development through regular and effective appraisal and educational events. To listen to all team members and value comments, suggestions and contributions. To project a positive and professional image of ourselves both within and outside the Practice. To work hard and have fun and maintain a supportive, fulfilling and rewarding working environment for all
